Finally the mother told me the history of her own drug taking. Thus she had unwittingly made her pretty and apparently healthy child a victim of the cruelest tyranny in the world.

Drug addiction is a fact known to most of us. We know dectors prescribe drugs, and dealers peddict them filegally.

"She always sleeps sound," Mrs. X said. "You can't wake her up." She was right. I couldn't. And I tried everything which might accomplish that purpose in order to have fier picture taken. Baby X, slept on heavily, her puise low, her little hands tevered, her breath—hardly audible.

She opened her eyes for a moment, They were brown and misty.
